The Virginia Department of Education's Early Childhood Special Education is a division for Public School Special Education. The long-term goal for children is for them to be as ready as possible for life. The Special Education process is to determine if a child is eligible for special education and related services, which will be made on an individual basis. Call 804-225-2102 for the Special Education Assessment department. Also offering the Individualized Education Program (IEP).

Visit the [Public School Directory](#) to view their special education process details.
