QMedic offers a variety of top-rated home medical alert systems featuring cellular, landline, and mobile GPS services. Employing leading technology and dashboard monitoring, the QMedic platform enables faster, more proactive care coordination for high-risk consumers.

With the simple press of a button, consumers are quickly connected with a 24/7/365 emergency call center operator. Calls are intelligently routed to emergency services or a designated care contact (neighbor, family member, friend) based upon the unique needs of the consumer.

Service Area(s)  
Nationwide

,  
Statewide
