SafeinHome is a provider of 24/7 remote supports connected with assisted technology for people with disabilities. They deliver a complete connected care solution supporting an accessible and safe environment, enabling people with disabilities to live self-directed, independent lives. Unlike traditional remote services, SafeinHome combines friendly, personalized 24/7 remote support services with discreet, easy-to-use sensor technologies, supporting more freedom, flexibility, and peace of mind for the entire care circle.

Service Area(s)
Culpeper County
