Intake Process

The consumer/supporter can access by reviewing the website or social media platform. Then would express interest to their support coordinator to schedule a meet and greet face to face or via Zoom. Here is where to ask questions and to have an open conversation to ensure the needs of the consumer will be met. Afterward, a meeting for an intake will be scheduled to complete the necessary documentation.

Laugh & Live, LLC provides personalized support for individuals with DD in their home setting. They focus on implementing a structured program of individualized intervention and care designed to meet the individual's physical, medical, and emotional needs. Communicating needs and wants and comprehending verbal directions. Learning new skills and adapting functional skills relating to community resources and community safety to appropriate environments. Demonstrating appropriate behavior, peer interactions, and social skills in the home and community environments. Learning functional skills related to personal care and activities of daily living (toileting, bathing, grooming, dressing, eating, household chores, food preparation, money management, shopping, etc.) Functioning in community and integrated environments. Agree to obtain services designated in the plan.
