When you join the Air Force Association, your support for the United States Air and Space Forces will translate into real life impacts on the men and women that serve this nation. In your community, AFA offers life-changing grants for wounded warriors, scholarships for Air Force families, and professional development for the Total Force. Seated in the nation's capital, AFA's legislative efforts fight for the issues that matter most to an AFA family.

There are several membership types: individual, community and corporate. Please call for more information. AFA Members are eligible for a variety of benefits, including insurance, dental, vision and more.
