NoVa Cats Rest Assured is an agency to provide pre-planned rehoming of pet cats, in the event the owner passes away or goes to a permanent care facility. They provide peace of mind for when you can no longer be there for your cat. Sign up for a specific amount of time, and should you move to a permanent care facility or pass away during that time, they will welcome your cat with quality care in a cageless

home environment, until it can be matched with a well-suited forever home.
Complimentary boarding is included with every policy.

Offered for anyone within Virginia, Maryland, DC, Delaware, and North Carolina.
