People recovering from COVID-19 may experience a combination of cognitive, psychological, and physical signs and symptoms that remain for weeks to months after the virus leaves the body. The Post COVID-19 Care Centers at Inova provide a wide array of interdisciplinary services with the goal of supporting recovery from physical, cognitive, and psychological symptoms.

Care teams may include:

- Medical Provider,
- Physical Therapists,
- Occupational Therapists
- Speech-Language Pathologists,
- Pulmonary Rehabilitation Specialists,
- Mental Health Providers.

To schedule an initial evaluation, please call your preferred Inova Rehabilitation Center. Pulmonary Rehabilitation is offered at Inova Alexandria, Inova Fairfax, and Inova Loudoun hospitals.

A brochure is available for download on the website in English and Spanish.
