Concerts in Motion offers a weekly calendar of interactive virtual concerts accessible by phone or internet. You and your loved ones can enjoy the music you love, from anywhere in the world. Genres vary, and all are free! The weekly calendar features professional musicians who play at the highest level, and our Youth Series features student musicians who love sharing their music. We offer concerts designed for older adults with dementia and their caregivers, and bilingual concerts. You can build your own weekly schedule by signing up for the concerts that interest you and your loved ones.
