United States

Fee Structure

No Fee

The National Do Not Call Registry gives you a choice about whether to receive telemarketing calls. You can [register your home or mobile phone](#) for free.

After you register, other types of organizations may still call you, such as charities, political groups, debt collectors and surveys. To learn more, read our FAQs.

If you received an unwanted call after your number was on the National Registry for 31 days, report it to the FTC.
