Pyramid Healthcare Newport News provides adult detoxification and residential and outpatient treatment for substance use disorders. In-patient clients participate in groups, individual counseling, and a variety of elective activities that support their transition to a sober lifestyle in a structured environment. Their non-hospital program provides medically-supervised services to individuals 24 hours, 7 days per week.

Pyramid Healthcare Rehabilitation Centers provide treatment for adults and teens suffering from addiction or substance abuse, as well as individuals with mental health disorders. Having locations in Pennsylvania, Maryland, New Jersey, and Virginia allows them to provide comprehensive care to people with behavioral health issues in the Mid-Atlantic.
