Social Security Administration offers a Representative Payment Program that provides payment management for beneficiaries who cannot manage his or her Social Security or Supplemental Security Income (SSI) payments. A suitable representative payee (Payee) will be appointed to manage the payments on behalf of the beneficiary. Hopefully, a family member or friend can serve.

If you have a concern that someone you know is incapable of managing his or her payments, please call 1-800-772-1213 (TTY 1-800-325-0778) to request an appointment to discuss the situation.
