Drive-To-Work offers Community Outreach Seminars virtually every month for free. If you are in need of assistance with license restoration, taking this seminar is a great first start. Each participant will receive a copy of their DMV Compliance Summary detailing what they need to do to get their license back. At the end of the video participation, participants will be able to talk to an attorney one-on-one about their personal Compliance Summary.

Please register for this free seminar via the [website link](#).
