Transcend Behavioral Consulting LLC offers applied behavioral analysis (ABA) therapy(therapeutic consultation services) to individuals with DD/ID waivers. These include behavioral expertise, training, and technical assistance to individuals, family members, caregivers, and service providers. A licensed behavior analyst provides the following services:

- Interview the individual, family members, caregivers, and relevant others to identify issues to be addressed and desired outcomes of the consultation.
- Observe the individual. Design a written therapeutic consultation plan detailing the interventions, environmental adaptations, and support strategies to address the identified issues.
- Recommend and provide training for family members, caregivers, and other relevant persons to assist the individual.
- Intervene directly, with the individual and demonstrate to family/caregivers or staff such interventions.
