Lighthouse Guild, formerly Lighthouse International offers tele-support groups for parents, teens, young adults, and adults. Connect virtually with someone who “gets it” through tele-support groups.

The National Tele-Support Network for Parents of Children with Visual Impairment encourages parents to share resources, strength, hope, and experiences. The Youth Transition Program can help students who are blind or visually impaired prepare for life after high school, or the transition to college. There are also groups for adults and a book club.

Please contact Carly H. Feldstein at 212-769-634 or feldsteinc@lighthouseguild.org.

For the Parent Support Network, contact Maggie Walters at 917-386-9775 or WaltersM@lighthouseguild.org.
