The International Organization of Multiple Sclerosis Nurses (IOMSN) is an international organization focusing solely on the needs and goals of professional nurses, anywhere in the world, who care for people with Multiple Sclerosis. IOMSN supports nurses by means of educating, networking, and sharing.

Advantages of membership include:

- Information is shared on practice positions and resources.
- Forum is provided for discussion and collaboration on issues that concern multiple sclerosis nurses.
- Information is shared on research activities among members.
- Participation is encouraged with other nursing organizations.
